

CHIPOTLE'S CULTIVATE FESTIVAL DEBUTS IN MIAMI; RETURNS TO PHOENIX & KANSAS CITY

Schedule announced for popular music, food and ideas festival; fans can text to win the ultimate Cultivate experience

DENVER--(BUSINESS WIRE)--Mar. 8, 2016-- Chipotle Mexican Grill (NYSE: CMG) has announced the preliminary lineup for its 2016 Cultivate food, music and ideas festivals, with events returning to Phoenix and Kansas City for a second year, and one debuting in Miami.

This year marks the sixth year of the Cultivate Festival, which encourages attendees to think and talk about food and food issues in a fun and engaging environment. Cultivate Phoenix will be held Saturday, April 30, at WestWorld of Scottsdale; Cultivate Kansas City Saturday, July 23, in Penn Valley Park; and Cultivate Miami Saturday, Nov. 12, in Bayfront Park. All festivals start at 11 a.m. and end at 7 p.m. Admission is free.

"We are changing the way people think about and eat fast food, and that includes helping people understand how food is raised and prepared," said Mark Crumpacker, chief creative and development officer at Chipotle. "The Cultivate events allow us to bring people together for a celebration of food and music, but also to educate them about how food can be raised responsibly and prepared safely."

In addition to live music and on-site chef demonstrations, each Cultivate event will include five interactive experiences focused on sustainable food – including activities that allow attendees to explore the importance of animal welfare; issues surrounding genetically modified foods, or GMOs; the secret to making Chipotle's famous guacamole; and the reality of processed foods. The events also feature a Kids' Zone that will feature activities and snacks.

All three festivals will have an Artisans' Hall featuring local artisanal desserts for purchase and a Tasting Hall serving local specialty beers, wines and ciders. Each festival also will feature Cultivate Mexican Lager, a Mexican-style lager brewed exclusively for Cultivate through a collaboration among nationally acclaimed breweries Arizona Wilderness (Cultivate Phoenix), Boulevard Brewing (Cultivate Kansas City) and Cigar City Brewing (Cultivate Miami).

Chipotle has also partnered with IZZE to give customers a chance to win a trip for two to the 2016 Cultivate Festival of the winner's choice in Phoenix, Kansas City or Miami. For more information on how to enter, and official rules, visit chipotlecultivate.com.

About Chipotle

Steve Ells, founder, chairman and co-CEO, started Chipotle with the idea that food served fast did not have to be a typical fast

food experience. Today, Chipotle continues to offer a focused menu of burritos, tacos, burrito bowls (a burrito without the tortilla) and salads made from fresh, high-quality raw ingredients, prepared using classic cooking methods and served in a distinctive atmosphere. Through our vision of Food With Integrity, Chipotle is seeking better food from using ingredients that are not only fresh, but that — where possible — are sustainably grown and raised responsibly with respect for the animals, the land, and the farmers who produce the food. In order to achieve this vision, we focus on building a special people culture that is centered on creating teams of top performers empowered to achieve high standards. This people culture not only leads to a better dining experience for our customers, it also allows us to develop future leaders from within. Chipotle opened with a single restaurant in 1993 and operates more than 2,000 restaurants, including 20 Chipotle restaurants outside the U.S. and 13 ShopHouse Southeast Asian Kitchen restaurants, and is an investor in an entity that owns and operates three Pizzeria Locale restaurants.
