

Chipotle Launches Carne Asada Nationwide

Film director David Gelb captures creative for new, premium steak offering that is Whole30® and Paleo compliant

NEWPORT BEACH, Calif., Sept. 17, 2019 /PRNEWSWIRE/ -- Chipotle Mexican Grill (NYSE: CMG) announced that it's introducing a brand-new steak option, Carne Asada, nationally on September 19, 2019. **CHIPOTLE REWARDS** members were the first to learn of the new menu item today. To showcase the importance of its Rewards members and the exclusive access the program provides, Chipotle invited its top steak lovers in New York and Los Angeles to attend early VIP tasting events.

This premium protein is cut into tender slices, seasoned with fresh squeezed lime and finished with hand-chopped cilantro and a blend of signature spices. Chipotle's Carne Asada has been officially approved for the Whole30® program, and is compliant with a Paleo diet.

Additionally, Chipotle teamed up with film director David Gelb to spotlight a behind-the-scenes look of the careful preparation and details that go into Chipotle's Carne Asada. Gelb, with Independent Media, is an American director and the creator of Jiro Dreams of Sushi, Chef's Table and Street Food. These spots are a continuation of Chipotle's Behind the Foil campaign that launched in February 2019. This content highlights real Chipotle team members and provides an inside look at the real, fresh food and preparation that happens in Chipotle kitchens every day.

The new Carne Asada joins Chipotle's original steak on menus for a limited time after successfully going through the company's stage gate process, including pilots in Cincinnati, Ohio and Fresno, California. Carne Asada is Chipotle's newest protein addition since the return of chorizo in September 2018.

"Our Carne Asada steak is amazingly tender, hand cut, and grilled fresh every day. It performed incredibly well in the test markets and we're excited to be introducing this terrific, new steak nationwide for a limited time," said Chris Brandt, Chief Marketing Officer of Chipotle.
