Adobo Ranch: A New Way To Chipotle

Ranch dips and dressings have surged in popularity, surpassing ketchup as American's favorite condiment in 2024.² Adobo Ranch, the brand's unique take on ranch, features only real ingredients and no artificial colors, flavors or preservatives.

"Ranch has become a cultural phenomenon, especially among Gen Z, who are finding creative ways to enjoy it beyond the traditional salad," said Chris Brandt, President and Chief Brand Officer. "Our new Adobo Ranch taps into this passion, giving fans a crave-worthy way to customize their Chipotle order with a completely new flavor."

Neville Panthaky, Vice President of Culinary at Chipotle, recommends dipping a Hand-Crafted Quesadilla in Adobo Ranch or dipping salt and lime seasoned tortilla chips in Adobo Ranch before scooping into a burrito bowl for the perfect bite.

Adobo Ranch is a blend of sour cream, adobo chiles, ranch seasoning, citrus, garlic, onion, parsley, black pepper, and other real ingredients. Adobo Ranch does not contain gluten, soy or sulfites. Chipotle does not use eggs, mustard, peanuts, tree nuts, sesame, shellfish or fish as ingredients in its food.
